**CLAIMANT HAWKER BEECHCRAFT GLOBAL CUSTOMER SUPPORT, L.L.C.'S  
 ANSWER TO PETITIONER'S VERIFIED COMPLAINT FOR FORFEITURE**

Claimant, Hawker Beechcraft Global Customer Support, L.L.C. d/b/a Hawker Beechcraft Services (hereinafter "HBS"), for its answer to the allegations set forth in the Verified Complaint for Forfeiture of petitioner, states as follows:

HBS is without knowledge or information sufficient to form a belief as to the truth of the allegations of paragraphs 1 through 77 of the Verified Complaint for Forfeiture and therefore denies the same.

By way of further answer to Petitioner's Verified Complaint for Forfeiture, HBS asserts a claim of interest in the respondent property described as follows:

2005 Raytheon Aircraft Company Hawker 800 XPi; Registration No. N824LX Serial No. 258740, and the records related thereto, including but not limited to: airframe and power plant appliance records, current aircraft inspection status records, historical aircraft maintenance records and maintenance records and all aircraft log books (hereinafter "Aircraft 1")

2005 Raythoen Aircraft Company Beechcraft King Air B200; Registration No. XA-RDJ; Serial No. BB-1907, and the records related thereto, including but not limited to: airframe and power plant appliance records, current aircraft inspection status records, historical aircraft maintenance records and all aircraft log books (hereinafter "Aircraft 2").

HBS's claim arises from maintenance and repair services performed on both Aircraft 1 and Aircraft 2 for which HBS did not receive payment, and for interest accruing after the work was completed. HBS's claim is secured by a perfected mechanic's liens on Aircraft 1 and Aircraft 2.

**AFFIRMATIVE AND OTHER DEFENSES**

All allegations not admitted herein are expressly denied.

HBS reserves the right to assert any affirmative defenses which are made known through discovery and incorporates by reference all relevant defenses asserted by any other claimant.

WHEREFORE, Claimant having fully responded to Petitioners Verified Complaint for Forfeiture herein, prays that its claims for services rendered and interest on those services be honored in accordance with the law and be paid from the proceeds of the sale of the two aircraft and for such other relief as the Court deems just, equitable, and proper.
